

# Your One-Stop Carpet and Rug Provider

# About Us

Being a manufacturer for decades and as a subsidiary of SIM Group, e-Teklon specializes on developing different OEM projects and offering a variety of home living products worldwide.

With continuous development and well trusted by customers, today e-Teklon has developed a strong Import & Export distribution and established sales & sourcing offices in Hong Kong, Shanghai, Guangzhou and Taipei.

Our core products include various home textiles from sheets, pillows, blankets to carpets and rugs as well as other home living products. We specialize in OEM projects and customized sourcing on our export business whereas we are an exclusive agent on domestic sales and distribution of Schwan Stabilo and SesameCave Living in Hong Kong and Macau. We aim to offer a wide range of quality products at a competitive price and provide the best solution and service to you with our professional sourcing and merchandising specialists. We are here to help on enhancing efficiency, speed and accuracy as well as optimizing your profits during the procurement process.
